Dear Mr. Harland:

In accordance with the provisions of Subsection 7.4(f) of the ESC Collective Bargaining Agreement and the requirements of LA 24-14-ESC (9/80 Master Agreement), the Company is proposing to change the current work schedule(s) of employees to allow a 9/80 work schedule with a fixed Regular Day Off (RDO) every other week as follows.

This agreement cancels and supersedes any prior 9/80 alternative work schedule agreements.

This agreement proposes establishing 9/80 alternative work schedules for Engineering Estimators, Senior Engineering Estimators, and Associate Distribution Engineers systemwide. This new alternative work schedule will start at the beginning of a new payroll cycle.

- Friday 10:30 a.m. and ends on the following Friday at 10:29 a.m. for a schedule starting at 6:30 a.m.
- Friday 11:00 a.m. and ends on the following Friday at 10:59 a.m. for a schedule starting at 7:00 a.m.

Employees, regardless of work schedule, may take either a 1/2-hour unpaid lunch or 1-hour unpaid lunch. The sample schedules provide for a 1/2-hour lunch. Desired unpaid lunch duration of 1/2-hour or 1-hour must be communicated to supervisor in advance. If an employee takes a 1-hour lunch their schedule will be extended by 1/2-hour at the end of the day. Once an employee's shift or schedule is set it may only be changed once every six (6) months but no more than twice per year.

If employees do not choose Schedule 1 or Schedule 2 for the 9/80 alternative work schedules listed above, they will be required to work a five-day, eight-hour work schedule starting at either 6:00 a.m., 6:30 a.m., 7:00 a.m. or 7:30 a.m.

Management has the right to staff work schedules based upon business needs.

Either the Union or Company reserves the right to cancel this letter of agreement and return to eight-hour shift schedules by giving a minimum of 30 days' written notice at the local level and the work group will return to a 5/8 schedule at the beginning of a new two-week pay cycle.

If you agree, please so indicate in the space provided below and return one executed copy of the letter to the Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY
